Loanglide Logos

Please do not make any modifications, including stretching the logo. The primary logo to be used should be the default black text with green glider. When background or print restrictions necessitate use the other 2-color logos. Ensure ample room for the logo by placing it in sufficient space and away from other elements and imagery.

Choose from the logos below

available in format PNG / SVG

Default Logo
For use on light background

Default Logo
For use on dark background

White on Black
For use on black background

Black on White
For use on white background
